

A decorative yellow line starts on the left, dips down, rises to a peak, dips again, and then rises to end on the right. A solid red square is positioned in the upper right area, partially overlapping the yellow line.

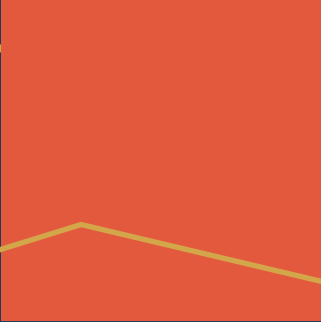

PARALLEL CHECK-IN

Pitch Deck / Season One

A decorative yellow line starts on the left, dips down, rises to a peak, dips again, and then rises to end at the top right corner of a red square. The red square is positioned in the upper right area of the slide.

LOGLINE

A Japantown hotel guides travelers from parallel San Francisco's home.

THE WORLD

Sanctuary rules, gold seams, fog, lanterns, and impossible doors.

A yellow line graphic starts on the left, dips down, rises to a peak, dips again, and then rises to end at the top right corner of a red square. The red square is positioned in the upper right area of the slide.

AMI SATO

A teen hotel keeper learns every key has a memory.

A yellow line graphic starts on the left, dips, rises to a peak, dips again, and then rises to cross a solid red square before dipping once more. The red square is positioned in the upper right area of the slide.

THE HOTEL

A family-run neutral ground where hospitality is the magic system.

A decorative yellow line starts on the left, dips down, rises to a peak, dips again, and then rises to cross a solid red square on the right side of the slide. The red square is positioned in the upper right quadrant.

ANCHORS

Each guest must find the true constant that connects them to home.

A yellow line graphic starts on the left, dips, rises to a peak, dips again, and then rises to end at the top right corner of a red square. The red square is positioned in the upper right area of the slide.

CASE ENGINE

Strange arrival, city quest, anchor reveal, rite of passage, cozy checkout.

A decorative yellow line starts on the left, dips down, rises to a peak, dips again, and then rises to end on the right. A solid red square is positioned in the upper right area, partially overlapping the yellow line.

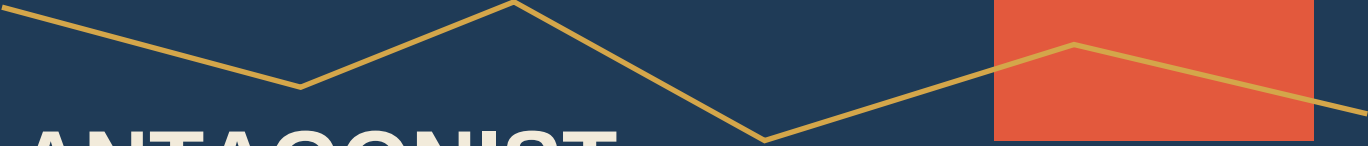

VISUAL LANGUAGE

Kintsugi Neon Naturalism: indigo, cream, gold, coral, and teal.

A decorative yellow line starts on the left, dips down, rises to a peak, dips again, and then rises to end at the top right corner of a red square. The red square is positioned in the upper right area of the slide.

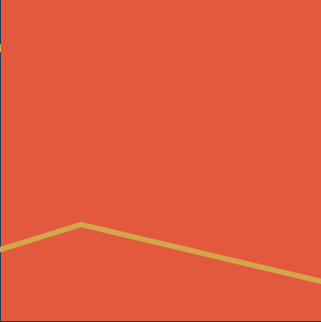

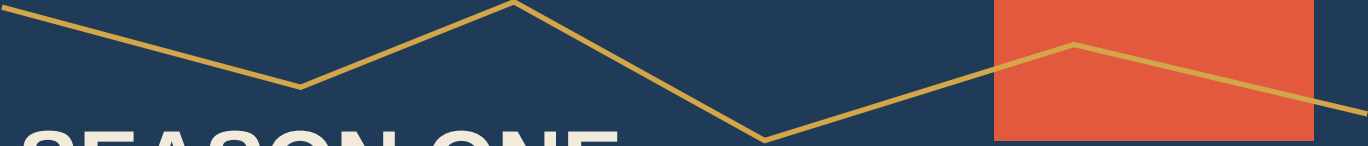

CHARACTERS

Ami, Switch, Mama Kuma, Papa Tora, Haru, Dr. Koga, Chibi, and more.

A yellow line graphic that starts on the left, dips down, rises to a peak, dips down again, rises to a second peak, and then dips down towards the right. The second peak is partially obscured by a red square.

ANTAGONIST

Parallax wants to industrialize crossings without truth or consent.

SEASON ONE

A warm adventure arc built around repairing cracks carefully.

A decorative yellow line starts on the left, dips down, rises to a peak, dips again, and then rises to end at the top right corner of a red square. The red square is positioned in the upper right area of the slide.
